We have an exciting day of fun activities lined up for you. We will be using padlet as our online platform for this even as it will be a school school community fun day and not just limited to our class. A separate note will issue regarding the Sports Day closer to the time.

We hope this will be highlight of our distance learning time for all the children in our school and we hope to have as many people as possible involved. Mom, Dads , Nanas, Grandads and siblings can all get involved in giving things ago.

Anything highlighted in purple will be available in the assignments section on Seesaw. Some of these will be available all week while others will just be added on the day they are scheduled. If you have difficulty accessing anything on Seesaw please let me know – enash@dromcollogherns.ie
Seesaw is intended to increase engagement between students and teachers. It is very easy to use. You may find it difficult to cover all the work outlined- please do not worry about this. Prioritise English and Maths and let me know if there is anything I can do to help.
